I am seeking an internship where I can apply and strengthen my skills in Node.js, NestJS, and React. I have experience with Tailwind CSS, Bootstrap, shadcn/ui, and basic deployment using AWS, Docker, and GitHub Actions. My short-term goal is to gain hands-on experience and contribute to real-world projects in a professional environment

EDUCATION

Bachelor of Information Technology	Sep 2023 - May 2027
University of Science and Technology – The University of Danang	GPA: 3.96
<ul style="list-style-type: none">Received academic excellence scholarship in all semestersAchieved “Five-Good Student” award	

CERTIFICATIONS

TOEIC (925/990) ↗ by Educational Testing Service (ETS)	Sep 2023
--	----------

AWARDS
